December 1972 #17

Next Meeting: Friday, December 1, 1972 at 8:00 PM. For our last meeting of the year, Honorable President Keeler is again risking his happy home and invites us to join him there for a holiday season social meeting-pleasure, not much business. Bring your wife/girl-friend or guest/friend for after dinner snacks, beer, wine punch, coffee, etc. courtesy of the board of directors. (Bring your own booze if you prefer the hard stuff) Share tall tales of the fall season and plan for the winter season. Take the Bayshore Freeway to the Ralston turnoff in Belmont, and follow Ralston about three miles. Turn right on Belmont Canyon Road, then take the second right (300') onto Upper Lock, and then left onto Plateau Drive. Stop at 3308 Plateau Drive, the fourth house on the right, nestled beneath the gently swaying aluminums. See attached map. below

Pres sez: Send your CQ logs to W6ITD and your SS logs to WB600L. If you haven't mailed them by then, bring them to the meeting. Remember to have your logs complete and dupe-checked to make the work of our contest committee lighter in preparing the club's contest entries.
